Group

Linking
the Future

Our photovoltaic cable TECSUN Urban is a true sunshine story.

Our new family member is a perfect choice when you install solar panels on small areas such as roofs or balconies on residential and commercial buildings. It is available in 100 m rings and 500 m bobbins, TÜV approved and meets all high PV standards. On top of that it is water resistant according to AD7. So, when you head out for the next installation make sure you bring TECSUN Urban along. It's a cable to trust – come rain or shine.

Engineered to fit

Discover the perfect product tailored precisely to your needs – no more, no less.

Seal of approval

TÜV approved and in accordance with all high PV cable standards.

Halogen free

Emits less toxic smoke and corrosive acids in case of fire.

Prysmian
Group
